

**Independent. Experienced. Financially Responsible.
100% Committed to the Children and Taxpayers of Grand Rapids!**

Dear Voters:

GRPS is facing serious financial and educational challenges. Now more than ever, our public schools need a leader who is independent, experienced, financially responsible, and 100% committed to making decisions based on what is in the best interest of the children and taxpayers of Grand Rapids.

Senita Lenear is:

- A leader who **embraces change and innovation** to increase student achievement and graduation rates.
- **A bridge builder** with a track record of bringing employees, management, and community leaders together around common goals and solutions.
- An **independent decision-maker** who will make decisions based on what's best for students and not be controlled by special interest groups.
- **Fiscally responsible** and will make decisions that put the interests of the children and taxpayers first.
- **A leader you can count** on to keep GRPS on the right track and moving forward.
